END OF YEAR ACCOUNTS

A new date for forwarding information to the External Auditors has now been set for 31 August 2020 (instead of June), due to the effect the Coronavirus has had on businesses.

The Internal Auditor has completed the audit and there are no concerns (May 2020). The accounts will be forwarded to the External Auditors after approval by the Parish Council at the next meeting (prior to 31 August 2020).
